

TO WHOM IT MAY CONCERN

OPENINTEGRA is our support service and infrastructure partner since 2007. They are a reliable partner, who, in all aspects of our relationship, has proved its professionalism, quality, high technology and commercial expertise. We were quite impressed by the team's internal strive for excellence, the positive and optimistic attitude shown in our everyday work and work product deliverables. We were also highly impressed by the strong professional competences of the management and the whole team. In all aspects of our relation OPENINTEGRA strived to perfectionism.

OPENINTEGRA's team deep knowledge in infrastructure and internet technologies was an invaluable asset for our daily work and operations.

I am happy to recommend this company as a reliable services vendor with deep knowledge and expertise in web, internet and telecom technologies, and excellent delivery capabilities in terms of time, budget and quality.
